Well the day started out with awesome cobra weather, clear skies and no wind at all, Perfect!! Everyone meet up at the now closed Big T's in Forrestfield, two cobras and two tin tops. After a quick chit chat everyone was debriefed, rules read, and numbers drawn to see who departed first. Shortly thereafter the first car was away at 0815.

Two of the teams arrived in fancy dress, automatically giving 50 points per team.

Everyone was sent up to the zigzags where there was a photographer (Terry Conn) taking their pics as they came down, dodging the cyclists, unfortunately there were no Kangaroos about to keep the cyclist numbers down that day. They were handed their game sheets and sent on their way to have fun and collect as many points as possible.

At this stage everyone was on their own until they rocked up at the finish line at Sandy Beach Reserve in Bassendean. Thankfully they were able to decipher the clues to get there and impressively no one had to open their cheat envelope. (Maybe need to make the clues a bit harder)

While the contestants grabbed hot drinks, Loraine and I started to check their evidence and tally up the scores. As the scoring continued the BBQ's were fired up and lunch was cooked by the competitor's (thanks guys). After a bite to eat it was onto the prize giving.

Al & Anna came in last place, also scoring a 4min penalty for being late. They scored **845 Points** and scored themselves a Snickers bar each, so they could lift their game.

Ron & Nola came in 3rd place with **885 Points** and received a lucky dip prize each.

Ron & Paul came in 2nd place with **901 Points** and managed to also raise an extra \$70 from public donations, well done guys. Each received a lucky dip prize.

Keith, Janet & Lauren came in 1st place with **1025 Points** and received a lucky dip prize each.

Afterwards the two cobras moved away and had some photos taken down by the river and everything was packed up. We milled about and chatted for a while longer and we finally said our goodbyes and departed the reserve around 2:30pm all smiles.

Another donation from one of our helpers after we arrived home at the end of the day brought the donation pot up to \$265.45 .

Thank you to all those who participated and well done everyone. A fun day was had by all.

An awesome day was had by all.

Thanks to Loraine, Terry and Dylan for all your help to make this event happen.

At the end of month meeting all those who attended the meeting and who did not attend the event were Fined by the club Sheriff and we raised a further \$65.00. Bringing the total to \$330.45, which is an awesome effort by all involved for the PCFA. Hopefully we can get some more participants next year and really smash this year's efforts.
